Carroll Valentine is spending a few days in Boston.

Several local people are taking advantage of the skiing lessons at the Sunday River Ski-way.

Mrs. Ruby Briggs, Mechanic Falls, spent several days last week with Mrs. Hazel Trinward.

Mrs. Flora Anderson is spending some time with Mr. and Mrs. Evans Wilson at New Harbor.

Mrs. Gertrude Fossett of Damariscotta visited with friends in town on Monday and Tuesday.

Miss Cathy Carver and Dick Robie of Boston were at the home of Kimball Ames over the week end.

Mrs. H. I. Bean went to Old Orchard on Sunday to visit with her son, Herbert Bean, and family.

Students of the Sue Farrar School of the Dance performed at a meeting in Locke Mills on Tuesday evening.

Mr. and Mrs. Charles E. Heywood left for their home in Linwood, N. Y., after spending some time at the Guest House.

Kenneth Delano was the victim of an accident of E. G. Blake's mill on Dec. 31. He was helping load logs onto a truck when the logs let go. The log came down end ways so it pinned his ankle between two logs. It tore his ankle badly, ligaments, cord and bone. He is under Dr. Dixon's care at the Stephens Memorial Hospital in Norway, where he will remain for some time. His condition is good.

Mr. and Mrs. Wayne Strout were guests of honor at a going away party Friday evening at the home of Mr. and Mrs. Avery Angevine. A pot luck supper was enjoyed followed by a social evening. An electric frying pan was presented Mr. and Mrs. Strout. Those present: Mr. and Mrs. Elwin Brown, Jr., Mr. and Mrs. Paul King, Mr. and Mrs. Albert Buck, Mr. and Mrs. Charles D. Merrill, Mr. and Mrs. Arthur Lincoln, Mr. and Mrs. Avery Angevine, and Mr. and Mrs. Strout.

Couples Club met Saturday evening at the Methodist Church. A pot luck supper and an evening of games was enjoyed by Mr. and Mrs. Bill Ward, Mr. and Mrs. Buddy Howe, Mr. and Mrs. Phil Brooks, Mr. and Mrs. Earl Davis, Mr. and Mrs. Norman Dock, Mr. and Mrs. Stanley Davis, Mr. and Mrs. Robert Keniston, Mr. and Mrs. John Greenleaf, Mr. and Mrs. Earlon Paine, Mr. and Mrs. Ronald Stevens, Mr. and Mrs. Avery Angevine, Rev. and Mrs. Richard Hamilton, Mr. and Mrs. Ernest Perkins, Mr. and Mrs. Kenneth Brooks, Mr. and Mrs. Stanley Brown, Mr. and Mrs. Paul King, Mr. and Mrs. Wallace Saunders, Mr. and Mrs. Richard Stevens, Mr. and Mrs. Archie Young Jr., Mr. and Mrs. Floyd Bartlett and Mr. and Mrs. Irving Brown. The committee for next time is Mrs. Phyllis King, Mrs. Margaret Davis, Mrs. Arlene Hamilton, Mrs. Frances Saunders.

The Week in Oxford County

Mrs. Ruth C. DeCoteau, Oxford County Home Demonstration Agent, announced that Mrs. Clifford Hillier of Bethel, the county food projects leader, will hold four training classes with community food leaders.

Officers of the R. N. Club of the Stephens Memorial Hospital for the coming year are: Mrs. Harry Harper, president; Mrs. Ralph Farrar, vice president; Mrs. Leslie Gammon, treasurer; Mrs. Clifton Sprague, secretary.

Miss Gabriella Cottrau of Naples, Italy, is visiting schools in Norway. She is one of six teachers visiting in the United States. Miss Cottrau is mainly interested in observing advanced teaching methods.

The annual ski instruction classes at Scott's Mountain near Rumford are underway. 220 students registered Thursday afternoon.

BARTLETT - JONES ENGAGEMENT ANNOUNCED

Miss Donna Jean Bartlett

Mr. and Mrs. Floyd E. Bartlett of Bethel are announcing the engagement of their daughter, Donna Jean Bartlett, of Rye Center, N. H., to Alton E. Jones, son of Mr. and Mrs. Kenneth Jones of 1010 25th Ave., Tuscaloosa, Ala.

Miss Bartlett is a graduate of Gould Academy in the class of 1957 and from the Eastern Academy of Beauty Culture in Bangor in 1958. She is presently employed in Portsmouth, N. H.

Mr. Jones is graduate of Tuscaloosa High School and is serving with the 817th Installation Squadron, Pease Air Force Base, Portsmouth, N. H. On completion of duty he will attend Public Accounting School. No date has been set for the wedding.

Mr. and Mrs. Bud Jenkins and family have moved to the rent in Sylvia Conroy's house. Mrs. C. F. Saunders attended the annual luncheon and meeting of the Pythian Sisters Home Association at the Columbia Hotel, Portland, Monday.

Sam Smith remains in serious condition at the Norway hospital where he was taken on Wednesday of last week after an automobile accident in South Woodstock.

Daylight is 18 minutes longer than the shortest days last month and increases a minute or two each day. Coldest mornings of the season were last week end when 20 and more below zero was reported Sunday.

The Eleanor Gordon Guild met at the home of Arlene Lyon, Wednesday evening with Madeline Emery as co-hostess. Polly Croteau was in charge of devotions and Marion Coolidge, entertainment. The mystery package was won by Virginia Mundt. The Guild will have a food sale Friday afternoon, Jan. 22, in Mrs. Lyon's kitchen.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The first meeting of the Budget Committee will be held on Thursday evening Jan. 14th in the Selectmen's Office to discuss and make recommendations to the annual town meeting on the various appropriation articles.

Any persons wishing to submit articles for the town meeting warrant must have them delivered to the Town Office no later than Jan. 30th.

Elsewhere in this issue of The Citizen there is published the standing of the appropriation accounts as of Dec. 31st. It is good to note that the unexpended balances exceed the overdrafts. The Truck Rental, West Bethel Water, and Community Room balances will be forwarded to 1960, the remainder will lapse to Surplus. The Truck Rental account shows an increase of \$1,164.26 over 1958 with all bills paid, except the plow frame that was purchased in the fall with the understanding that it be paid for during 1960.

The West Bethel Water System is now in operation with five customers connected. The system is not as yet working as efficiently as desired as several leaks have been detected and repaired. The maximum pressure is 70 lbs., but currently 65 to 68 lbs. is as high as can be obtained which still indicates small leaks.

Sincerely,
Harold L. Bean

ICY CONDITIONS DEMAND SLOWER SPEEDS

"Death, or an expensive skid-wreck, may be as close to you as a new stretch of glare ice on the pavement just after a freezing rain," the State Police warn. "A safe speed before you get to the ice won't be a safe speed once you are on it," they said. "It takes about 12 times as long to stop on glare ice as it does on dry pavement."

Even with the reliable help of reinforced type tire chains, tests by the Committee on Winter Driving Hazards of the National Safety Council have shown that speeds of 25 miles an hour on glare ice, and 35 miles an hour on hard-packed snow, give equivalent stopping distance to 50 m. p. h. on dry pavement, the police pointed out. The same tests with winterized tires showed that equivalent speeds were 15 m. p. h. on ice, and 28 m. p. h. on packed snow. Even these speeds, they warned, are not safe under very slippery conditions. They are merely the speeds on ice and snow which will produce approximately the same braking distance as that normally encountered from a speed of 50 m. p. h. on dry pavement.

"In the city, or in heavy traffic, these speeds should, of course, be relatively less," the Committee on Winter Driving Hazards emphasized. They also came up with some helpful hints about tire chains.

"Keep your chains tight," they advised. "Snug fitting tire chains wear much longer than chains that are put on loose. This is true on any kind of surface, but particularly over sections of bare pavement. It's not the weight of the car or the wear that results in premature breaking of chains, but the centrifugal force which slaps loose tire chains against the road surface with great force, causing early breaking."

The Committee said that the best plan is to put on chains as snugly as possible, drive a short distance, and then tighten the side chains. Then you're all set to continue with maximum safety to stop and traction to go.

"Many motorists will be surprised to learn they can usually take up one or two links on side chains after putting on chains and driving a short distance," they continued. "The chains have adjusted themselves to fit the tire after being driven, and this makes tightening easy. Then you're all set for several hundred miles, and you'll get maximum wear for future use. However, even with well-adjusted chains, and particularly when depending on snow tires, drivers must still reduce speeds for safe winter driving."

Industry need not wish. — Benjamin Franklin

Mail Service Changes Effective Feb. 6

Beginning Saturday, Feb. 6, mail to the Bethel area will be conveyed by truck from Auburn, three round trips being made daily. This will end the more than 100 years of service by the Grand Trunk railroad, although for 20 years or more rail service has been supplemented by "star route" connections. On the same date the star route presently going to Sunday River and Hanover will be extended to Andover.

WOMEN'S FELLOWSHIP CHOOSES OFFICERS AND COMMITTEE CHAIRMEN

The annual meeting of the Women's Fellowship was held at the home of Mrs. Betty Tebbets Wednesday evening preceded by a pot luck supper. Fifty members were present.

ALLEN H. WALKER

Allen H. Walker died Thursday afternoon, Jan. 7, at his home in West Bethel.

He was born Nov. 7, 1897, in Rumford, the son of Horace and Cleora Walker. He was a lifelong resident of this town. He married the former Dorris Moore 40 years ago this fall. He was a member of Pleasant Valley Grange, West Bethel.

Surviving besides his widow are a daughter, Mrs. Ruth Gilbert; two sons, Richard and Donald, and nine grandchildren, all of this town.

Funeral services were held Saturday afternoon at the West Bethel Union Church with Rev. Raymond Bradley of Rangeley officiating. Herman Bennett, Albert Bennett, Harry Taylor and Clarence Rolfe served as bearers. Interment was in Pine Grove Cemetery.

JAMES WILES

James Wiles died Friday evening at the DesRoches boarding home, where he had boarded for two and a half years.

He was born at Hamford, Nova Scotia, April 2, 1881, the son of Edmund and Emma Smith Wiles. For about 50 years he has lived in Bethel.

He is survived by a sister, Miss Myrtle Wiles of Nova Scotia.

Funeral services were held Tuesday afternoon from the Greenleaf funeral home, Rev. Clifford Laws officiating. Burial at Pikes Hill Cemetery, Norway, in the spring.

GOULD SKATING RINK

The Gould Outing Club invites the Bethel area public to use their skating facilities at the following times:

1. Any time when classes are in session.
2. High school age and over any time when rink is open.
3. Under high school age:
 - (a) Tuesday and Thursday until 5:15 p. m.
 - (b) Saturday morning.
 - (c) School vacation periods.

Rink closes at 9:30 p. m. Friday and Saturday unless otherwise arranged and at 5:15 p. m. week days for student maintenance.

Informal hockey practice — Wednesday—4:00-5:00 p. m.
Informal hockey practice — Sunday—1:00-3:00 p. m.

The above instructions are planned to assure maximum enjoyment of the ice by all but may need revision as conditions warrant.

TRADES SHOW COMES TO LEWISTON NEXT WEEK

Next week Tuesday through Thursday, January 19 through 21, Maine's 19th annual Agricultural Trades Show comes to the Lewiston State Armory. Maine dairymen and vegetable growers will hold all-day sessions Tuesday. Orchardists, florists, and poultrymen will meet later in the week. Displays of the latest in farm machinery and equipment will be open throughout the Show. A new feature this year will be a Hay Show. About 50 samples of hay from an equal number of dairymen throughout Maine will be exhibited. They'll be evaluated on the basis of their leafiness, color, date of cutting, and chemical analysis of their protein, fiber and estimated net energy content. Gold, blue, and red seals will be awarded.

\$131.08 this year, taking in \$160.49. Gertrude Percival, Choir leader, gave her report. She asked for more money for the organist. The church will pay the organist \$50 and the Ladies Aid will pay another \$50. The choir leader was voted \$25.00 to be used for church music. Rev. Strout gave a very good report which was recorded in the church records. He offered several suggestions that he would like to see materialize in the future: 1. A full time minister for Andover; 2. A basement under the church; 3. The steeple lighted; 4. Music in the church during the summer months; 5. A week of special religious activities in the spring, and 6. Class in baptism study. He stated that the Pilgrim Fellowship attendance was about 32 and that the Bible Study Group average attendance was 23. The group voted to set aside \$3,300.00 for a minister; \$150.00 for the janitor; Organist, \$50.00; \$25.00 for Church Music; budget for 1960, \$3,749.14. The trustees were appointed to look into the lighting of the steeple. A fund was started for either building an addition or fixing up the basement of the church to make more room for Sunday School classes. A sum of \$25.00 was given at the meeting to start this fund. The supper committee was Alice Merrill, Carrie Morton, Susie Poor, Ann Fox, and Arvilla Feener. Nation Salutes Maine 4-H Youth

Christmas arrived early in December for three Maine 4-Hers who won national recognition and 1959 scholarships at the National 4-H Club Congress recently concluded in Chicago.

The girls—Marlene Erickson (Bethel), and Jacqueline Sullivan, West Kennebunk—are national winners in clothing and club home economics programs, respectively. The club award was given by Greta A. Clark, while Montgomery Ward is donor of the home economics award.

John Hilton of Athens, won his recognition in the boys' agricultural program for which International Harvester gives awards.

These three champions, were among 157 high ranking 4-Hers cited for outstanding work by the Cooperative Extension Service. The winners were honored at the final banquet of the congress attended by some 2,000 4-H club members, leaders and guests from the 49 states and Puerto Rico.

STATES POULTRY INCOME DROPS

Preliminary estimates point to the fact that Maine's poultry income was down about 10 million dollars in 1959. So reports Frank D. Reed, Extension Service poultry marketing specialist, University of Maine. Poultry products for the past several years have led all Maine farm products in value of farm marketing. Poultry will return about 69 million dollars in 1959, compared to 79 million in 1958. Egg prices were 13 cents a dozen below

The State Police point out that, on pavement wet from rain we should allow more distance between our car and the one ahead. Of course, this distance should be lengthened still more if the road is covered with snow or ice. Remember, the driver ahead could make a sudden stop on a dry portion of the roadway, and you might still find yourself on a slippery portion of the same roadway—unable to stop quickly.

COUNTRY FLAVOR

FLINDING ON THE CRUST

Scientists assure us that the weather has not changed over the last half century, they claim it is a comfortable modern day which makes us think the weather is easier. But many of us are not so sure. We are sure that we don't get the good old crust in today's weather that we did half a century ago.

In the days when a farm had more a good soil, water, and a good breeze, sliding on the crust was good winter sport. In those days the weather was cooperative. After a snow had settled the snow, and the crust was good. The crust was as slippery as ice.

It was fun to lead the double sleigh with brothers, sisters and smaller children. From the top of the pasture ridge, there was a long, swift ride down the pasture, across the fence of the country road and down the incline to the level road.

Of course, there was one drawback. As one shot far out on the snow and gradually lost speed, he began to think of sliding back to the top of the ridge. It always brought a question to a boy's mind. Should he stop the sled to reduce the risk or should he enjoy those pleasant moments as the loaded sled slowly lost momentum and eventually came to a stop.

We are heartily in favor of winter sports. It has become a habit. If hundreds of thousands of citizens enjoy sliding downhill on upturned sleds, this is a democracy and that is their privilege. Furthermore, there is a lesson to be learned. We still think it is good philosophy to work for one's pleasure and not for one's profit.

MAN'S RECIPE

REURAH BUSKIN'S SOUR MILK BISCUITS

Sociologists tell us that increasingly this is becoming a woman's world, and if we men are not careful, we may be members of a matriarchal society before we know it.

One thing about Grandfather was his definiteness. He wanted hot biscuits for supper every night, and because he expected to get what he wanted, he always did. "It isn't supper without hot biscuits," he told his grandson. "Don't let the women folk think that a slice of bread is the same thing as a hot biscuit."

If you, or your men folk like biscuits, try this formula. Use two cups flour, two thirds teaspoon soda, three fourths cup thick sour milk or buttermilk, four tablespoons shortening.

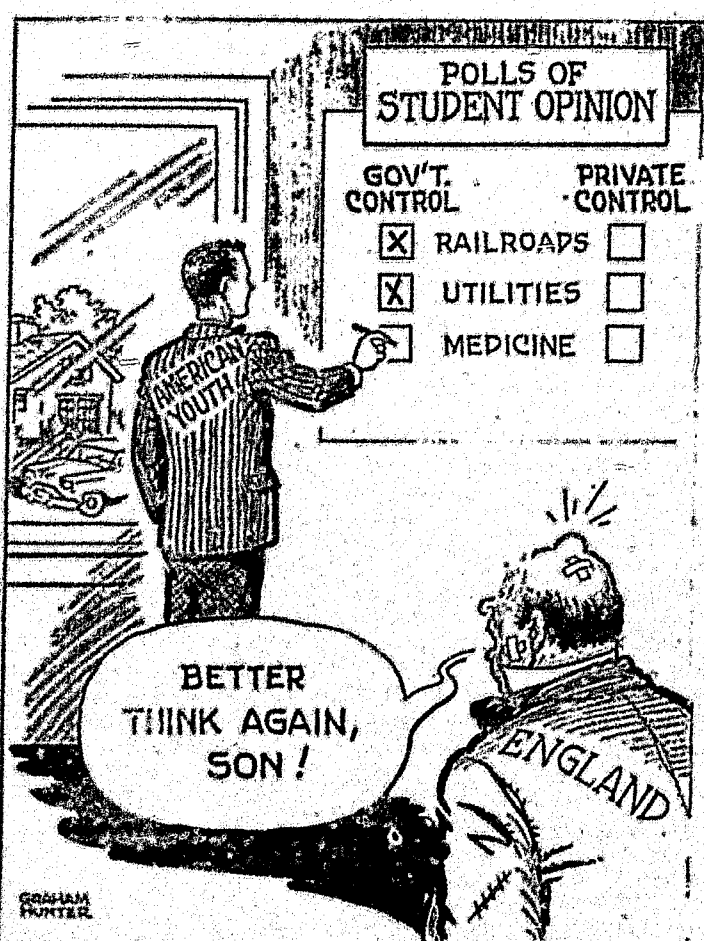

Sift flour, soda and salt three times. Cut in the shortening and blend. Add the sour milk gradually. Put on a floured board and knead lightly. Roll out to between one half and three fourths inch in thickness.

Cut out, and bake at 450 for 12 to 15 minutes until done. If you haven't had a desert of hot, crusty biscuits, well buttered and drowned with something like molasses, corn syrup or maple syrup, you have missed something. For a biscuit or two with my meal, I like grape jelly on a buttered half.

TODAY'S Meditation

The Upper Room
THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Thursday, January 14

Read Psalms 42:1-6.
Put your hope for good and all in the grace that is coming to you at the revelation of Jesus Christ. (I Peter 1:13. Moffatt.)

CLOUDS are gathering, darkened by the turbulent winds of hatred, jealousy, envy, and fear. Many persons are losing hope in things worldly. When trust in things of the world fails, we then look for hope from above.

If we lift our eyes to the hills, we can behold the sunlit mountains of God's holiness. On top we can see a cross from which light is streaming upon our darkened world. This cross of Christ radiates the splendid glory of God's unending love and grace.

We have just lately observed Christmas, the birthday of our

Lord and Saviour. The Christmas story is a very simple one—God's love revealed in Jesus Christ. To know this is sufficient for us. What do we need more than to have Christ as our master and friends? He is the light of the world and the hope of man.

Let us have hope in God and faith in His Son.

PRAYER: O God, Father of our Lord Jesus Christ, we beseech Thee to be with us this day. Strengthen our hearts, comfort our troubled souls. Guide us as we travel on our journey of life. Lead us in the way of the cross of Christ. Help us in all things, for the sake of Christ and in His name. Amen.

Thought For The Day
Christ is the hope of the world, and my hope.
Ibrahim Matar (Lebanon)

CUB SCOUTS

Den 3 met at the home of Mrs. Verne Smiley on Jan. 12. We talked about our theme for the month: science and also the Electives. Then we went outdoors to play.—Keeper of the Buckskin, Peter Kalle.

Den 1: We met at the house of our leader and opened the meeting with the hollow square. We also sang one verse of America. During the meeting we did a little science. One experiment was to put an ice cube in water and lift it with a string by putting salt on it, another thing was to make carbon dioxide by putting soda in a glass with a lighted match and adding vinegar.—Keeper of the Buckskin, Ned Robertson.

Jan. 7, Den 1: We met at the home of our leader and opened our meeting with the hollow square. We also sang America. During the meeting we did a little science. One thing was to see how much electricity by putting a comb over paper. Another thing was to make a crystal garden. We closed our meeting with the living circle.—Keeper of the Buckskin, Ned Robertson.

Den 6: We met at the home of our den mother, Virginia Hutchins. We opened the meeting with the pledge to the flag. We started working on our space men, hoping to finish them by the next pack meeting. We closed the meeting with the Living Circle. After refreshments, we went out to play.—Jack Cross, Keeper of the Buckskin.

Den 5, Jan. 12: We made space helmets and painted them. Bobby Herzing will bring refreshments next week.—Philippe Rolfe, Keeper of the Buckskin.

4-H CLUB NEWS

The Buttonville Cookies met at the home of their leader, Mrs. Ethel Robertson, on Jan. 11. We held our 4-H meeting with six members present. The treasurer reported 25 cents. Brenda Robertson, Louann Brown and Ethel Kimball did their demonstrations. The first year girls learned how to wind a bobbin. The third year girls studied their demonstration. Recreation committee for next meeting will be Jean Robertson.—Club Reporter, Jenn Robertson.

The Lucky 13 4-H Club met at Mrs. Wallace Saunders because Patty could not come up street. We practiced our demonstration. We will put them on for our mothers next week. The meeting was called to order by our President, Julia Brown. There were three members absent.—Club Reporter, Nancy Brown.

Bethel Hardworkers: We had our regular meeting at our leader's home. We practiced our demonstrations each one of us did them. Next week we have our final demonstrations. Cindy Chapin and JoAnn Perry served refreshments. Respectfully submitted, Cindy Chapin, Club Reporter.

LIFE LINES
by Col. Ralph T. Miller of The Salvation Army

MAN OF GOD
Saul was taking the first steps along a road that would lead him one day to the throne of Israel as their first king. But he did not know it. He knew only that the donkeys of his father, Kish, had become lost. For three days he had sought them. Finally, on the point of giving up, he and his servant reached the outskirts of a small city.

"There is a man of God in this city," his servant told him, "and he can tell us all things. For he is a man held in honor." (I Samuel 9:6).

There is a phrase to stir the imagination: "A man of God in this city."
If travelers should pass through your town, would they stop for a moment, and say to one another, "There is a man of God in this town"? If so, what would be the name that they would speak? Would it be yours?

These are dark and threatening days in which we live. The outlook ahead is not bright. There is but one hope for humanity today. It is not heavier armaments, necessary as they are. It is not some new economic plan, although such plans must be made and followed. The one hope of the future is that there will be in your town, and in every other town, a few men and women, who can be called without exaggeration "Men of God."

It is only the man of God who stands firm in the time of adversity. It is only the man of God who can withstand temptation. It is only the man of God who can set the example of a stable life, a life that is anchored to a firm foundation, while those about him are swept from their moorings.

Are you a man of God? The world needs such today. It is possible for you to become one—if you are willing.

leader's home, Jan. 8. We discussed several things. Neil Olsson gave a Demonstration on Baseball and Bobby Crouse gave one on Casting for Fish. Charles Haines gave up the office of secretary so our new secretary is Stanley Howe. We had a birthday party for Greg Howe and enjoyed ice cream, cake and punch. Robert Parker visited our meeting.—Club Reporter, Dennis Jackson.

The Busy Beavers 4-H Club met at the home of their leader, Mrs. Hillier. Our mothers came to watch our demonstrations. The winners of the demonstrations are as follows: Singles—Martha Laws and Linda Felt. Doubles—Harriet Hillier and Barbara Lee Daughass. On Jan. 21 they will compete with the other Bethel clubs at the Methodist Church. Refreshments were served by Mrs. Hillier and Mrs. Keniston. Our judge was Miss Minot from Gould Academy.—Reporter, Vivian Brown.

Mrs. C. A. Judkins, Cor. - Mrs. Elsie Fuller was guest of Mrs. Alma Collins last Friday.

On Saturday morning—coldest of the winter to that date—it was 16° below zero and remained several degrees below zero all day. On Sunday, Richard Williamson reported 32° below at his house, near Lake Umbagog.

Fred Judkins II was home from Gould Academy over the week end.

Mr. and Mrs. Fred Judkins and family visited her parents, Mr. and Mrs. Lester Hathaway, in Bryant Pond, Sunday.

It has just been learned that a baby girl weighing a little over 7 lbs. was born at the CMG Hospital at Lewiston, on Jan. 12, to Mrs. Roland Bernier, of this town. The Berniers are living in East Stoneham this winter. Mother and baby are doing well. Five year old Emile Bernier is visiting his grandparents, Mr. and Mrs. C. A. Judkins for a while.

Mrs. Florence Swift, Corres.

Mr. and Mrs. Merle Lurvey were guests of honor at a surprise get-together party by their friends and neighbors, Saturday evening at the Legion Hall. Mrs. Myrtle Bacon and Mrs. Dora Ford poured coffee and punch, other refreshments were served buffet style, by Mrs. Sylvia Dunham. Featured as a centerpiece on the buffet table was a beautifully decorated cake inscribed to "Merle and Bunny" which was made by Mrs. Joyce Hathaway. Decorating the hall were colorful balloons and streamers done by the Youth Group and Mrs. Kathy Bickford. Mr. and Mrs. Lurvey received many gifts as well as good wishes from their many friends.

At a meeting of the Youth Group Sunday evening at the home of Mr. and Mrs. Keith Ring new officers were elected as follows: President, Glendon Kimball; Vice President, Owen Melville; Treasurer, Kenneth Ring; Secretary, Dwight Mills. It is planned to go to the new

skiway at Sunday River next Saturday and a dance is planned for January 29. The Group is open for new members and more adult interest would be appreciated. The next meeting will be with Mr. and Mrs. Lester Bickford, Sunday evening.

The Bookmobile from the Maine State Library will be at the school house Jan. 25, at 9:30 in the morning, after which they will be at the mill yard for a stop.

The Ladies Circle will meet with Mrs. Edith Littlefield next Wednesday, at twelve for a pot luck luncheon. Please come. Bring any yarn you may have to donate for the afghan squares.

The Community Club met Tuesday evening at the town hall and elected new officers: President, Mrs. Dora Ford; Vice President, Mrs. Marjorie Swan; Treasurer, Mrs. Marion Swan; Secretary, Mrs. Cora Bennett.

GRASS ROOTS OPINION

Middletown, Delaware, Transcript: "Should a man in a fight help the other guy beat him?"

"A ridiculous question, isn't it?"

"Yet the question is no more ridiculous than what is provided by the Railroad Unemployment Insurance Act, under which employees who go on a strike draw payments from

funds set up and maintained entirely by the railroads. Thus, when the Brotherhoods use their ultimate weapon of a strike to force concessions out of railroad management, federal law in effect compels management to hand the unions extra ammunition."

One of the marks of a gentleman is his refusal to make an issue out of every difference of opinion.—Arnold H. Glasow

Girls' Sports

The winter term has brought a new schedule of sports for the girls at Gould. They have just finished playing volleyball and bowling. Teams in both sports were prepared for matches scheduled with Stephens High in Rumford for Saturday, Nov. 9, but the contest was postponed until a later date. Volleyball games were played last week with the juniors on top without any losses. Seniors were next, followed by Sophomores and Freshmen.

This week a new program has started, including skiing classes, skating, and basketball. Ten points may be gained toward a letter by taking skiing instructions twice a week with two additional hours practice per week for ten weeks. This is something very difficult to fit into the busy schedules of many, and is considered quite an accomplishment.

Ice skaters will plan and sponsor all the skating parties and will be responsible for keeping the rink cleared off during the season. To obtain five points toward a letter, the girls taking ice skating for a sport will meet once a week for supervised practice.

Basketball will be held every day so that the skiers can manage to get their points in both sports by going to the two required meetings a week in basketball during that sport's eight week season. Extra points may be obtained by making the per. Blue and Gold, and school teams.

The enthusiasm and participation this year is excellent and all are contributing to make this a successful winter term.

CARD OF THANKS

We extend our heartfelt thanks to all those who showed us so many kindnesses, not only in the recent loss of our loved one, but during his long period of ill health. Our sincere thanks for the cards and beautiful floral tributes from relatives and friends, Hanover Dowel Co., Newton-Tebbels Inc. and for the words of comfort from Rev. Raymond Bradley.

V. A. NEWS LETTER

President Eisenhower has signed into law the Veterans Pension Act of 1959, placing future veterans pension payments on a basis of need. M. L. Stoddard, manager of the Veterans Administration Center, Togus, announced.

In order to avoid confusion, Stoddard emphasized that:

1. the new law does not go into effect until July 1, 1960;
2. it applies only to non-service-connected pensions and will have no effect on service-connected compensation payments;
3. veterans currently drawing pensions will not have their benefits changed unless they choose to apply under the new law for increased benefits. Their choice is final.

Stoddard emphasized that information will be sent to those veterans concerned and their dependents before the law becomes effective.

Since there will be ample time to make application, Stoddard urged veterans and veterans' families not to write to VA about their individual cases. Such correspondence will delay tremendously the processing of veterans' claims.

The reformer must be a hero at all points, and he must have conquered himself before he can conquer others.—Mary Baker Eddy.

MEDICAL PAYMENTS COVERAGE FOR INSURED CHRISTIAN SCIENTISTS

"Medical payments coverage under the various Automobile Liability and General Liability policies pays for medical and surgical care. The National Bureau of Casualty Underwriters and the Mutual Insurance Rating Bureau have jointly taken an official position on the question.

"Following conferences with representatives of The First Church of Christ, Scientist, Boston, Mass., the respective rating committees have agreed that it is the intent of the Medical Payments Insuring Agreements and of the immediate medical and surgical relief coverage of all Automobile and General Liability policies that they apply to services rendered by authorized representatives of this Church, provided such services are in lieu of services contemplated by the Medical Payments Insuring Agreements and the immediate

medical and surgical relief coverage, and provided further that charges are reasonable....

"All Automobile and General Liability policies, therefore, should be interpreted in keeping with the above intent.... The interpretation recognizes claims for services of Christian Science practitioners, nurses, and sanatoriums as covered under Medical Payments coverage and Bodily Injury Liability coverage of Automobile and General Liability Policies."—An excerpt from "Rough Notes," an insurance news sheet.

"Thanks to a half-century of emphasis on industrial safety, the American workman is now safer on the job than off. Moreover, jobs that were once considered the most dangerous are now among the safest. The industry with the lowest accident rate in the United States during the first quarter of last year was explosives."—Industrial Press Service.

CHEMICAL STOCKS: Favorable Outlook for 1960

In 1959 the outstanding market performers were the electronics stocks. This fact is not surprising with all the news about the space age and about automation, fields in whose growth the electronics industry was going to participate. However, this group of stocks has been glamorized to such an extent that many of them are selling at prices which anticipate earnings several years ahead. Therefore it seems advisable to seek out some new growth industry group in 1960.

Chemical stocks appear to be very interesting. In the first place, after a period of three or four years when growth and earnings of the major companies were relatively small, a significant upturn in earnings now appears evident. It is true that many chemical stocks are selling near their all-time highs but by statistical yardsticks the market values may not be yet anticipate their earnings potential in the next two or three years. There is a certain glamour surrounding chemical stocks. In the first place, many of the companies are in the rocket fuel field. Secondly, several companies are engaged in metallurgical research, important in developing new light, heat-resistant metals used in the space age. Perhaps the most important growth area of the chemical industry lies in plastics which are being substituted more and more for other products. Finally

1960 should be a good year for the chemical industry as the demand for industrial chemicals relates itself very closely to business activity and many economists believe that 1960 will be the most prosperous year to date in the history of business.

There are ten companies that we have found of particular interest. All these qualify in as investment category. For participation in the growth of plastics we particularly recommend: Dow, DuPont, Monsanto, Rohm & Haas and Union Carbide.

In the field of metallurgy Dow, DuPont and Union Carbide are interesting. Allied Chemical & Dye, one of the largest chemical companies, is beginning to show the benefits of several management changes made over the last few years. American Cyanamid offers a participation in the growth of drugs as well as those of chemicals.

Diamond Alkali has increased its sales and earnings significantly and is perhaps statistically the most attractive of the chemical group. Other stocks which we like include: Hercules Powder and Hooker Chemical.

ALIENS MUST REGISTER BEFORE JANUARY 31st

C. C. Doughty, District Director of the Immigration and Naturalization Service today urged all aliens in Maine who have not yet filled out alien address report forms, to do so before January 31st at the nearest Immigration Service office or local Post Office.

The Immigration official pointed out that the law requires all noncitizens, except persons in diplomatic status, foreign representatives to certain international organizations, such as the United Nations, and aliens here temporarily as agricultural contract laborers, to report their address to the Government each January.

Mr. Doughty added: "The parent or legal guardian of an alien child under 14 years of age must fill out the address report form for such a child in order to comply with the law."

He declared: "We have tried to make it as convenient as possible for noncitizens to meet the address report requirements; and, in view of serious penalties for willful violation, all persons subject to the address report law are urged to fulfill this obligation before the end of January."

Mr. Doughty advised: "It is easy for an alien to meet this requirement. He just goes to the nearest Immigration Service office or post office, fills out the address report form, and returns it to the clerk. Any noncitizen who is ill may send a friend or relative to obtain the card for him, and return it to the clerk after it has been completed by the alien."

The Immigration official said "13,000 aliens in Maine already have filled out address reports." He estimated that 19,000 such reports will be submitted before January 31st.

"Most Americans are still complacent about foreign competition. We all believe U. S. industry and ingenuity can outproduce and outsell anybody. We have come to expect annual wage increases and, of course, the inevitable price increases that follow, as a part of our American way of life. We must bring our inflation to a halt soon, or before long the only exports left will be American jobs instead of American products."—The Norton Spirit, publication of The Norton Company.

"There is incorrect belief among the public that corporations pay taxes, which obviously they do not. When you tax a corporation, you are taxing either the owners, the workers, or the customers. In other words, no business is itself a taxpayer, but merely a tax collector for federal, state and local governments."—Washburn News, publication of The Washburn Company, Worcester, Mass.

NEW YEAR WELCOMED IN MANY WAYS AROUND THE WORLD

Not everyone celebrates the beginning of the New Year on January 1. But people in all parts of the world have special customs to insure that the New Year will get off to a good start.

Church services and frantic parties, for example, are typical ways of celebrating in the U. S.

In many European countries, gifts are exchanged on New Year's Day. The custom originated with the Romans, according to World Book Encyclopedia. Back in 747 B. C., reportedly, they presented the king of the Sabines with branches of bay and palm trees consecrated to Strenia, the goddess of strength. The "strenae," or gifts, became more elaborate, in expectation of royal favor, and the emperors came to regard them as deserved tribute.

Augustus Caesar is said to have passed the world along that he had had a vision in which he saw himself receiving gifts from the Senate and the people on January 1.

Claudius finally stopped the influence-peddling by limiting the cost of gifts.

Henry III introduced the custom into England in the 1200's, and Elizabeth I collected enough loot to replenish her wardrobe for a year. The custom went out with Oliver Cromwell.

In Scotland, bad luck is in store for a family if the first person to set foot in the house on New Year's Day is a woman... or a gravedigger... or a person who walks with his toes turned in... or a man with red or blonde hair.

To minimize the risk, the Scots appoint a tall, dark man as the "first-footer." On New Year's Day he enters each house in silence, places a bundle of fagots on the fire, then wishes the family good luck.

Even the poorest Chinese buy new shoes for the holiday, because it is bad luck to step down on the ground into old shoes on New Year's Day. And the Portuguese ignore their debts, because the man who pays a bill on this day will pay out money all year long.

The Brazilians open the New Year by expressing the hope of all men... they designate January 1 as the Day of Universal Brotherhood.
